Drug Arrest

On June 21, 2022, Manchester Police arrested 21-year-old Skyler Martel on an outstanding warrant in connection with illegal drugs.

Martel's arrest was part of an extensive investigation that spanned several months. During that investigation, police had established probable cause to charge Martel with Controlled Drug, Acts Prohibited, believing that he was involved in the sale of illegal drugs. It was also determined that Martel was on probation for a previous charge and was subsequently charged with a Probation Violation.

On June 7, 2022, 19-year-old Hunter Benoit was also arrested as part of the same investigation. The case is active and ongoing.
